QUEENS LACCATO

La possibilità di personalizzare il proprio bagno, di creare una stanza che rispecchia il proprio gusto, nella quale sentirsi bene. Attorno a questi concetti nasce Queens Laccato che, come Queens, è caratterizzato dai fianchi lavorati intorno all'anta, ma che da ora può essere realizzato in ben 12 finiture laccate goffrate e 48 finiture lucide e opache: da oggi avrai a disposizione ben 108 possibilità di scelta per rendere il tuo bagno uno spazio davvero unico.

The possibility to personalize your bathroom and to create a room that reflects your own taste, a room that makes you feel comfortable.

These concepts gave birth to Queens Laccato, a model that, like Queens model, is characterized by the sides embracing the fronts. But now you have at your disposal also 12 goffrato lacquered finishes and 48 gloss and mat finishes: 108 new choices to make your bathroom a completely unique space.
