

ALL—IN

HOME

Sistemi per arredare:

Armadi, Ingressi, Soggiorni, Dispense, Corridoi, Divisori, Lavanderie, Cabine, Home-office, Sottoscala, Mansardati, Nicchie, garage.

NARDIINTERNI

La casa è lo specchio della personalità, dove trovano spazio libertà di espressione e qualità del vivere. La casa cambia insieme alle persone che la vivono, si adatta nel tempo, unendo, dividendo o aggiungendo aree con funzioni necessarie alle diverse esigenze.

Con il progetto All-In tutto questo si trasforma in un'idea abitativa creata con sartorialità: un sistema per suddividere, collegare, trasformare e arredare ambienti diversi.

La trasversalità di finiture, dimensioni e materiali, permette di progettare infinite possibilità di combinazioni. Armadi su misura, moduli angolo, gruppi funzionali e passaggi sono solo alcuni degli elementi che caratterizzano All-In e che valorizzano spazi ibridi per dare ordine, comfort e stile all'ambiente casa.

Home is the mirror of personality, the space for freedom of expression and quality of life. The house changes with the people who live in it, it adapts over time, merging, dividing or adding areas with functions necessary for different needs.

With the All-In project it is transformed into a tailor made living idea: a system for dividing, connecting, changing and furnishing different environments.

The transversality of finishes, dimensions and materials allows you to design infinite possibilities of combinations. Custom wardrobes, corner modules, technical modules and passageways are just some of the elements that characterize All-In and enhance hybrid spaces to give order, comfort and style to the home environment.
